Trio

Cowboy Capital of the World.

Gettin' Older's Getting' Easy, the band's first CD (2004), and the band's second CD, Love At First Dance (2005), exceeded all expectations with sales in the thousands. A third CD, Almost Patsy, was released in November of 2007.

It is a respectful tribute to the greatest female country singer of all time, Patsy Cline.

The Almost Patsy Cline band and Trio continues to perform throughout the state for Texans and visitors alike.

They have performed in several places including Celebrate Bandera, The San Antonio Stock Show and Rodeo, The Gillespie County Fair, the 2008 Texas Association of Fairs and Events Showcase in Austin or at numerous private dance clubs, corporate events and fundraisers.

The APC Trio consists of Lanette Pennell, Vicki Gillespie and Brian Kibbe.

These three get together and sing out gospel tunes with the same passion as their country music performances.

Country and gospel music are so intertwined in history and like many other country musicians, these three grew up singing gospel songs.
