A Heartfelt Thank You To All Of My Supporters

It is with great pleasure to thank all of my supporters who voted for me in my first journey into public office. As a child of public service, I have always believed that public service is a great part of the American way of life and an essential one. Representation for the public at large requires respect, honesty, and a great deal of support from the citizens who elect you to serve in office. I am so honored to have received so many votes in my candidacy for the office of District Clerk of Kleberg County. I ask all of you to continue your support in my run-off election in April and I look forward to talking with all of you once again about my plans for office. Please do not hesitate to call me as my door is and always will be open to assist the public.

Sincerely,
